

DUKE ELLINGTON SCHOOL OF THE ARTS
DANCE DEPARTMENT
Course Syllabus
“BALLET II”
Arts Block
Instructor – Charles Augins

COURSE DESCRIPTION

Ballet Technique II is designed for all second year students and is a Department requirement for graduation. The focus of this course is to continue the developmental process of the fundamental technical applications of classical ballet. Each class session will use the traditional format of barre exercises and center floor practice. The syllabus content for technical development and terminology usage is based on the Agrippina Vaganova Russian Ballet Technique. The students will also have an experience in learning a classical variation from a ballet of the Romantic Period. Through this approach, students will begin to actively apply a conscious knowledge of dance as it relates to humanity, tradition and social, philosophical and emotional perspectives.

GRADING SCALE

At the secondary, level, sixth (6th) grade through twelfth (12th) grade, marks/grades of A through
F shall be assigned by the teacher to indicate the degree of achievement by the student of the
content standards in each course. Results of the end of course exam will count for no more than
20% of the final grade. *(Refer to Ellington's Community Handbook 2009-2010)*

Marks/Grades Shall Be As Follows:

A = 93 - 100

A- = 90-92
B+ = 85 - 93
B = 83-86
B- = 80-82
C+ = 75-84
C = 73-76
C- = 70-72
D+ = 67-69
D = 64-66
F = 63 and below

I = Incomplete (too little work submitted) Students have until 2 weeks after issuance of report cards to submit assignments and make-up individual physical assignments/exams (physical group projects excluded) Failure to complete work required within the above stated time frame will result in the Incomplete grade converting to an “F” (Failure).

M = Medical Once an injury has been verified by a physician and the student is deemed unable to participate for a minimum of two weeks and not more than one advisory, a letter grade of “C” or below will be administered for that period. If the injury is longer than one advisory, the student’s tenure at Ellington must be revisited by parent, principal, student and dance faculty.
(Refer to Dance Department 2009-2010 Handbook)

***The Medical Excuse Guidelines Shared in the Ellington Community Handbook Relates to Academic Courses/Classes Only, Not Physical Intense Arts Classes Such as Dance.*

ATTENDANCE

Ellington’s Attendance/Absence & Physician Policies Must be Adhered; Documented & Verified.
(Refer to Ellington’s Community Handbook 2009-2010)

Students and parents/care givers are held accountable for reporting all absences within 48 hours of the student’s return. All letters must be submitted to the dean of Students or his designee for verification/approval and submitted to course instructor. Students with chronic unexcused attendance, may result in awarding a letter grade of “F.”

For each class to which a student is tardy three (3) times, that student will accrue one unexcused absence. Five (5) or more unexcused absences per advisory may result in the student receiving a grade of “FA” (failure due to absence) in that subject. Excessive absences, even for legitimate reasons will have an adverse effect on the work presented and therefore on the grade earned.

Students who are absent for performances, field trips, and extracurricular activities are held accountable and responsible to secure and complete all written assignments, written quizzes, and written tests according to guidelines of Attendance Policies and Procedures established in the Ellington Handbook and at the discretion of the respective teacher. There are no make-ups for individual/group physical projects or other physical lesson plans missed.

Late written assignments will only be accepted one day after due date resulting in the grade being lowered 10 points from grading score actually received on work submitted.

TECHNICAL OBJECTIVES

Through consistent classroom participation the student will begin to demonstrate technical growth and clear body objectives through combinations that will begin the process of:

1. strength in the feet, legs and back
2. increased range of movement in the hip
3. attained balance and control
4. awareness of working with rotated legs and feet
5. acquired speed in footwork and lightness in the legs
