

April 1, 2012

Dear Families,

Enclosed you will find the materials necessary to enroll your child in the District of Columbia Public Schools (DCPS) for the 2012-2013 school year. Please carefully review all the enclosed materials and complete and return them – along with this checklist – to your child’s school as soon as possible to secure your child’s spot at his/her school. Please review the following important enrollment dates:

- April 1: Early Enrollment begins
- May 2: All enrollment packet materials due for families who applied in the Out of Boundary (OOB) lottery
- June 1: Deadline for Early Enrollment (All forms must be returned to your child’s school)

The Student Enrollment Form has been printed to include your child’s current enrollment information. If the information included has changed or is incorrect, please make changes directly on the form and review with your school’s principal/registrar. You can locate all documents online at www.dcps.gov/enroll.

If you have any questions, please do not hesitate to contact your child’s school directly or the Critical Response Team at 202-478-5738.
