ART A

COURSE DESCRIPTION

Art A is a broad exploration into the history of visual art. By way of a cultural and thematic approach, students will become familiar with a selection of significant art periods, contemporary and historical artists, their artworks, and real world topics regarding art. This class is designed to provide a platform for discussion about and appreciation for the arts in which students are required to participate. The educational structure of the class is based on lectures, discussions, films, quizzes, group presentations as well as exams. As a result, students will have a deeper understanding of and appreciation for the arts.
